Coordinator's Corner

April is here and May is soon upon us. I love the spring! I am a bit uncertain of my feelings about school letting out so early. In many ways, I long for the change of pace and lack of early morning commitments, but with that comes everybody at home - arguing and comments of "I'm bored" and it won't even be June.

I want to thank you for being a part of our MOMSnext group at Florence United Methodist Church in its first full year. Our group is a baby, and I am glad that you have been able to be a part of it. It is my hope that your life has been enriched in some way this year because of this group. Whether it be a new friendship, growth as a mom, or a closer walk with Christ, my vision for FUMC MOMSnext is to enable these opportunities.

In the next few days/weeks, I would like for you to share any feedback about your experience with this group. We want to make a difference and we are better at this with input from our members. I hope to put together a survey or two to ask some key questions, but should you want to share something that isn't addressed, please contact me at any time.

Lastly, I would love to have a few more beautiful faces join our Steering Team. You will be provided with tools and teammates that will help you grow as a leader. Please prayerfully consider adding your time and talent to growing our MOMSnext group.

Blessings,
Ellen
